

PATRIOT ACT NOTICE
IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account or is added as signatories to a new or existing deposit or loan account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

Each time an account is opened for a Legal Entity, we will ask you for the above identifying information for each authorized signer, any individual that has beneficial ownership of 25% or more, and one individual that has significant managerial control of the Legal Entity. You will be required to provide the appropriate documentation and to certify that this information is true and accurate to the best of your knowledge.

We ask for your understanding as we work to support these efforts to maintain the security of your funds and our country. Please speak with a Credit Union staff member if you have any questions about our identification policies.
